PROGRESS REPORT

Name of CNSX Issuer: Robix Environmental Technologies Inc. (*the "Issuer"*)

Trading Symbol: RZX

Number of Outstanding Listed Securities: 58,409,745 Common Shares

Date: March 20, 2016

REPORT ON BUSINESS

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

The Issuer continued in marketing activities primarily to introduce and to demonstrate its C Series to various interested parties within industry, with an emphasis on the Mexico marketplace and the eastern Canadian ocean environment.

The Issuer continued to demonstrate the concept of the C Series to consultants who specialize in industry awareness and securing financial support from various potential stakeholders, and to various capital market members.

The Issuer spent considerable time and effort to market the C Series technology, and it's first completed C160 commercial unit. In addition Robix received a firm C Series equipment order, to lease the services of a Robix C20 clean ocean oil recovery vessel, from Corporation T&M S. A. de C. V. of Villahermosa, Tabasco, Mexico. ("T&M")

The Issuer also continues to market the P Series oil recovery platform concept, which is designed to address the oil-production settling pond market primarily in Mexico. Robix has received firm purchase orders for the P Series units as announced in November 2016

The Issuer is also actively marketing the Hydro-Cycle product that uses a proprietary process to clean waste water.

2. Provide a general overview and of the activities of management.

Management of the Issuer engaged in activities primarily related to the introduction and demonstration of the C Series, P Series and Hydro-Cycle to parties interested in the commercial application of the technology.

In conjunction with marketing of the C Series technology to industry participants, management met with capital market participants, and in addition, with consultants who specialize in the securing of government sponsored loan and grant programs, and securing sufficient equity capital for the continued development of additional commercial C and P Series models, including sizes and designs capable of mechanical recovery of oil spilled on lakes, rivers, and also in other oil/water separation applications.

- 3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.**

Not applicable.

- 4. Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned.**

Not applicable

- 5. Describe any new business relationships entered into between the Issuer, the Issuer's affiliates or third parties including contracts to supply products or services, joint venture agreements and licensing agreements etc. State whether the relationship is with a Related Person of the Issuer and provide details of the relationship.**

Through its subsidiary Corris Technologies Mexico S.A de C.V ("Corris"), Robix has entered into an agreement to lease the C-160 that has been used as a demonstration unit in Tuxpan, Veracruz, Mexico during the past year. The customer ("Ecios & Salida Construcciones Group" or "Ecios") has been awarded a remediation contract in the state of Veracruz, and has chosen the C-Series as a key tool in its remediation strategy for this project.

Also through Corris, Robix entered into an LOI with Sector Naval de Tuxpan Veracruz, which is the Mexican Navy's (Armada de México) regional office in Tuxpan. The non-binding LOI sees that the parties begin to negotiate in good faith to reach a full binding definitive agreement for deployment of Robix oil recovery technology on some Mexican Naval vessels, which are more than 100 in number.

The final definitive agreement will include standard representations, warranties, covenants, and indemnities of the parties. Robix and Armada de Mexico expect to have a definitive agreement by March 31, 2017.

- 6. Describe the expiry or termination of any contracts or agreements between the Issuer, the Issuer's affiliates or third parties or cancellation of any financing arrangements that have been previously announced.**

Robix has retained Small Cap Invest Ltd. ("SCI"), a Frankfurt-based business development and PR firm, to provide the company with public relations and business development support in Germany and Europe. Alexander Friedrich is the President and Chief Executive Officer of SCI.

- 7. Describe any acquisitions by the Issuer or dispositions of the Issuer's assets that occurred during the preceding month. Provide details of the nature of the assets acquired or disposed of and provide details of the consideration paid or payable together with a schedule of payments if applicable, and of any valuation. State how the consideration was determined and whether the acquisition was from or the disposition was to a Related Person of the Issuer and provide details of the relationship.**

Not applicable

- 8. Describe the acquisition of new customers or loss of customers.**

Not applicable

9. Describe any new developments or effects on intangible products such as brand names, circulation lists, copyrights, franchises, licenses, patents, software, subscription lists and trade-marks.

Not applicable.

10. Report on any employee hiring, terminations or lay-offs with details of anticipated length of lay-offs.

Not applicable.

11. Report on any labour disputes and resolutions of those disputes if applicable.

Not applicable.

12. Describe and provide details of legal proceedings to which the Issuer became a party, including the name of the court or agency, the date instituted, the principal parties to the proceedings, the nature of the claim, the amount claimed, if any, if the proceedings are being contested, and the present status of the proceedings.

On May 12, 2016 default judgement was granted in favour of the Howard group Inc against the corporation in the amount of \$35,125 in connection with amounts owing to the Howard Group Inc, under a letter agreement for investor and financial relations services with the Corporation. The Corporation intends to pay the amount of the Judgement before the end of April 2017.

In connection with the acquisition of Formation Fluid Management Inc. ("FFM"), which company was acquired by Robix on October 7, 2016 (see Robix' October 11, 2016 news release), Robix terminated the former Chief Financial Officer of FFM, who has filed a statement of claim alleging breach of contract. As set out in the court documents, the former CFO is seeking a judgement in the amount of \$283,334, vesting of stock options and punitive damages in the amount of \$100,000. Robix has engaged legal counsel and is taking steps to vigorously defend this claim.

13. Provide details of any indebtedness incurred or repaid by the Issuer together with the terms of such indebtedness.

Robix settled outstanding indebtedness of \$275,000 through the issuance of 1,375,000 common shares of the Corporation at a deemed price of \$0.20 per common share. The common shares issued in connection with the Debt Settlement will be subject to a hold period of four months from the date of closing.

Robix also settled an outstanding debt of Formation Fluid Management Inc., which company was acquired by Robix on October 7, 2016 (see Robix's October 11, 2016 news release), in connection with a change of control fee owing to Canaccord Genuity Corp. pursuant to a financial advisory letter. Pursuant to the settlement, Robix agreed to pay Canaccord \$250,000 plus GST and issue 750,000 common shares, which common shares are subject to a hold period that expires on June 4, 2017.

Robix received notice that, pursuant to the previous loan agreement between FFM and the Royal Bank of Canada, FFM was in default and that the amount of the loan in the amount of \$487,226 was due and owing. Robix is currently seeking legal advice in respect of its options with respect to this claim.

14. Provide details of any securities issued and options or warrants granted.

The Corporation granted incentive stock options to purchase a total of 2,559,000 common shares, at an exercise price of \$0.22 per common share, to a director, officer and consultants of Robix. The options expire on February 3, 2020, in accordance with the Corporation's stock option plan. Robix has determined that exemptions from the various requirements of Multilateral Instrument 61-101 are available for the issuance of the options to the director and officer of the Corporation (Formal Valuation - Issuer Not Listed on Specified Markets; Minority Approval - Fair Market Value Not More Than 25% of Market Capitalization)

15. Provide details of any loans to or by Related Persons.

Not Applicable.

16. Provide details of any changes in directors, officers or committee members.

Not applicable.

17. Discuss any trends which are likely to impact the Issuer including trends in the Issuer's market(s) or political/regulatory trends.

The Issuer is aware of no specific trends, other the trends and risks which are likely to impact the Issuer that are detailed on pages 54 to 56 under the heading "Risk Factors" of the Issuer's Form 2A Listing Statement filed with the CNSX on September 26th, 2013.
