CNRP Mining Announces Appointment to Board of Directors

VANCOUVER, BRITISH COLUMBIA – September 13, 2017 – **CNRP Mining Inc.** (CSE: CND) (OTCQB: CRPGF) (the “**Company**” or “**CNRP Mining**”), is pleased to announce that Mr. Sothi Thillairajah has been appointed to the Board of Directors immediately.

Mr. Thillairajah is currently the Managing Director of Business Development at Revere Capital Advisors in New York. He received his undergraduate at the University of Rochester in Economics and completed his Masters at the University of Chicago in Finance. Mr. Thillairajah is a proven business development executive with an extensive history in the securities industry dating back to 1994 at which time he was an Assistant Vice-President, International Equities, at Nomura Securities in New York.

In addition, the Company announces that Mr. Eugene Beukman has resigned from his position as a director of CNRP Mining Inc, effective immediately. The Board and the Company thank Mr. Beukman for his contributions.

ON BEHALF OF THE BOARD

"Randy Clifford"
Director

The CSE does not accept responsibility for the adequacy or accuracy of this release.

This press release may contain “forward-looking information” within the meaning of applicable Canadian securities laws. All statements, other than statements of historical fact, included herein, including statements regarding the proposed share consolidation, the proposed shares for debt settlement transactions and the creation of a new control person, are forward-looking information. Forward-looking information is typically identified by words such as: believe, expect, anticipate, intend, estimate, postulate and similar expressions or are those which, by their nature, refer to future events. Although the Company believes that such statements are reasonable, there can be no assurance that such statements will prove to be accurate, and actual results and future events could differ materially from those anticipated in such statements. The Company cautions investors that any forward-looking information disclosed by the Company is not a guarantee of future performance, and that actual results may differ materially from those in forward-looking information. Accordingly, readers should not place undue reliance on forward-looking information. Except as required under applicable securities legislation, the Company undertakes no obligation to publicly update or revise forward-looking information.
