

## ***Glenbriar Retains Ciris IR for Investor Relations***

CALGARY, Alberta, October 14, 2005 -- **Glenbriar Technologies Inc.** (CNQ:GBRT), a provider of business technology solutions from vertical market software to communications technology management, today announced its appointment of Ciris Investor Relations Corporation to provide strategic investor relations and corporate communications services.

Glenbriar has embarked on a shift towards commercialization of its strong portfolio of technology solutions, and is simultaneously implementing a comprehensive investor relations and communications program to increase visibility and market awareness. The contract with Ciris is for 12 months, during which time Ciris will be paid a monthly retainer starting at \$3,000 and ratcheting to \$5,000 after the first two months. Ciris presently has no financial interest, direct or indirect, in Glenbriar or its securities.

### *About Ciris:*

Ciris has a 15-year history of helping companies in many industry sectors to achieve their communications targets. Taking a disciplined approach to managing stakeholder perceptions and expectations, Ciris creates and implements carefully tailored strategic financial marketing and communications programs for its clients. Ciris provides a complete suite of communications services, including: investor relations, public relations, media production and events, Web presentations and presentation training, annual report production, and governance tools.
