NEWS RELEASE

HealthSpace Data Systems Ltd. Announces Trading on the Canadian Securities Exchange and Stock Option Plan

VANCOUVER, BC – November 30, 2015 - HealthSpace Data Systems Ltd. (the “**Company**” or “**HealthSpace**”) (CSE:HS) is pleased to announce that the Company is now trading on the Canadian Securities Exchange (the “**Exchange**”) under the trade symbol “HS”.

Additional information concerning the listing is provided in the Company’s news release dated November 25, 2015 and in the Company’s CSE Listing Statement, which has been filed and is available under the Company’s SEDAR profile at www.sedar.com.

Company Update

During the past six months Health Space has signed new contracts in the accumulative amount of \$2.4 million USD including: the Tennessee Department of Agriculture, Wisconsin Departments of Health and Agriculture, Lane County Department of Environmental Health.

The Company has successfully released its mobile application “HS Touch” to the market, with the 2 initial deployments of this new product already underway. HS Touch is available for download on the Apple App Store along with the Google Play Store.

Stock Option Plan

The Company is also pleased to announce that the Company’s Board of Directors has approved the adoption of a “rolling” Share Option Plan (the “**Plan**”). Under the Plan, a maximum of 10% of the issued and outstanding common shares of the Company at the time an option is granted less common shares reserved for issuance under share options granted under share compensation arrangements other than this Plan, will be reserved for options to be granted at the discretion of the Company’s board of directors to eligible optionees (the “**Optionees**”).

The Plan was approved by the Company’s Board of Directors on November 25, 2015. The Plan will become effective from and after November 25, 2015, and will remain effective provided that the Plan, or any amended version thereof, receives Shareholder Approval at the annual general meeting of the holders of Common Shares of the Company, and each subsequent annual general meeting of the holders of Common Shares of the Company.

The Company intends to reserve shares for an initial grant of stock options representing 2,910,000 shares, with an exercise price of \$0.20, for distribution to eligible persons.

About Healthspace Data Systems Ltd.

HealthSpace is an industry leader providing information and communication management systems for federal, state, county and municipal governments. Over the last decade the Company has successfully developed both enterprise and mobile internet-based applications. HealthSpace serves over 340 state and local governments across North America. HealthSpace specializes in the field of developing, installing, and maintaining inspection and regulatory management systems for environmental and public health organizations.

Forward-Looking Statements

This release may contain forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Although HealthSpace believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in forward looking statements. HealthSpace expressly disclaims any intention or obligation to update or revise any forward-looking statements whether as a result of new information, future events or otherwise.

No securities regulatory authority has either approved or disapproved of the contents of this press release. This press release is for information purposes only and shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.
