REMUNERATION OF DIRECTORS AND OFFICERS

Executive Compensation

Compensation Discussion and Analysis

As a part of its responsibilities the Compensation and Governance Committee was established for the purpose of reviewing, and recommending to the Board for approval, the compensation of executive officers. The responsibilities, powers and operations of the Compensation and Governance Committee are described in its Charter, which is set out as Exhibit "B" hereto.

During the fiscal year ended June 30, 2015 and as of date hereof, the Compensation and Compensation Committee is comprised of three independent directors: Stephen Burns, Marc Lavine and Barry Wainstein. Mr. Wainstein is not standing for re-election.

The experience and skills of members of the Compensation and Governance Committee are set out in the section Election of Directors in this document.

The Compensation and Governance Committee conducts an annual review to consider and adjust executive compensation and relies upon the knowledge and experience of its members and other members of the Board of Directors regarding appropriate levels of salary and other compensation. The Compensation and Governance Committee assesses the performance of the President and Chief Executive Officer on an annual basis and establishes his base salary, bonus and stock option entitlement in the same way that the compensation of other executive officers is established, as outlined below.

The compensation of the executive officers of the Company is designed to reward performance and is determined on the basis of several factors, including the individual's experience, corporate responsibilities, the performance of the individual and the achievement of specified annual objectives determined by the Board of Directors and/or the President and Chief Executive Officer, as applicable. The current compensation package consists of salary, bonuses and stock options and emphasis is placed on salary, bonuses and stock options as described below. The executive officers of the Company are entitled to receive all benefits which are available to senior management generally.

The Company does not have a policy concerning whether or not Named Executive Officers or directors are permitted to purchase financial instruments such as forward contracts, swaps, collars etc. that are designed to hedge or offset a decrease in the market value of equity securities granted or held by the Named Executive Officer or director.

Base Salaries

The salaries and benefits paid to the Company's executive officers, including those paid to the President and Chief Executive Officer, were established at or below those generally paid to persons performing similar functions in comparable corporations within the marketing services industry. The Company currently has no adequate peer group and therefore does not benchmark its executive compensation. The compensation of the executive officers of the Company is guided by the following goals:

- The compensation package should be simple, transparent and easy to understand.
- The compensation package should be structured to attract and retain executive officers.
- The compensation package should recognize the contribution of the Company's executive officers to the overall success and growth of the Company.
- The compensation package should be commensurate with the time spent by executive officers in meeting their obligations.

Bonus Compensation

Bonuses paid to the executive officers are based upon objectives relating to each executive officer's corporate responsibility and to the Company's achievement of its overall corporate objectives. The bonuses paid are disclosed in the tabulation under Summary Compensation Table – 2015, 2014, & 2013.

Stock Option Plan

The Company has a Stock Option Plan (the "**Stock Option Plan**") which was approved by the shareholders at the Annual and Special Meeting of the Shareholders held on December 22, 2009. As part of the seamless transition of the listing of the Company's common shares to the Canadian Securities

Exchange (“CSE”) on March 15, 2011, the Board approved certain amendments to the Stock Option Plan to comply with CSE policies, and the CSE approved the Stock Option Plan.

The aggregate number of Common Shares issuable under the Stock Option Plan shall not exceed 16,688,546. The foregoing number represents, as of the date hereof, 12% of the 139,071,218 issued and outstanding common shares of the Company. Any option granted under the Stock Option Plan, which for any reason is surrendered, cancelled or terminated prior to exercise, will be available for a subsequent grant under the Stock Option Plan.

As of the date hereof, options to purchase an aggregate of 8,040,000 common shares are outstanding pursuant to the Stock Option Plan.

The Company does not have any Long-Term Incentive Plan other than the Stock Option Plan.

The material terms of the Stock Option Plan, as amended, are as follows:

- The purpose of the Stock Option Plan is to encourage ownership of Common Shares by directors, senior officers, employees and consultants of the Company and its subsidiaries (the “**Eligible Persons**”).
- Under the Stock Option Plan, options may be granted to Eligible Persons.
- The aggregate number of Common Shares issuable under the Stock Option Plan shall not exceed 16,688,546. The foregoing number represents, as of the date hereof, 12% of the 139,071,218 issued and outstanding common shares of the Company. Any option granted under the Stock Option Plan, which for any reason is surrendered, cancelled or terminated prior to exercise, will be available for a subsequent grant under the Stock Option Plan.
- The maximum number of Common Shares which may be reserved for issuance to any one person in any 12 month period (unless the Company has obtained disinterested Shareholder approval) under the Stock Option Plan is 5% of the Common Shares issued and outstanding at the time of the grant (calculated on a non-diluted basis) less the number of Common Shares reserved for issuance to such person under any option to purchase Common Shares granted as a compensation or incentive mechanism. The maximum number of Common Shares issuable to insiders of the Company, at any time, under all security based compensation arrangements of the Company, including the Stock Option Plan, shall not exceed 10% of the issued and outstanding Common Shares. The maximum number of Common Shares issued to insiders of the Company, within any one year period, under all security based compensation arrangements of the Company, including the Stock Option Plan, shall not exceed 10% of the issued and outstanding Common Shares.
- The option exercise price will be fixed by the Board or committee of the Board, but cannot be less than the greater of the closing price of the Common Shares on (i) the trading day immediately preceding the day upon which the option is granted, or (ii) the day the option is granted, provided that, in any event, the CSE does not typically allow options to be issued with exercise price less than \$0.05.
- Options granted under the Stock Option Plan may be exercised during a period not exceeding five years, subject to earlier termination, upon the optionee ceasing to be an employee, senior officer, director or consultant of the Company or any of its subsidiaries, as applicable, or upon the optionee retiring, becoming permanently disabled or dying. If the termination date of an option falls during or within three trading days of a blackout period, during which a policy of the Company prevents

certain persons from trading in the securities of the Company, the expiry date for the option will be extended for an additional period expiring on the tenth trading day following the end of the blackout period.

- Options are non-transferable without Board approval.
- The Board may also, in its discretion, subject to the limitations of the CSE and the Stock Option Plan, at the time of granting an option, determine that provisions relating to the vesting of such option be contained in the written agreement between the Company and the optionee.
- By its terms, the Stock Option Plan may be amended by the Board without the consent of the shareholders, to the extent that such amendments relate to: (a) complying with the requirements of any applicable regulatory authority; (b) complying with the rules, policies and notices of the CSE or of any stock exchange on which the Company's securities are listed; (c) determining, subject to all applicable regulatory requirements, that the provisions of the Stock Option Plan concerning the effect of termination of a participant's status as an Eligible Person under the Stock Option Plan shall not apply to a participant for any reason acceptable to the Board; (d) amending the definitions contained within the Stock Option Plan; (e) amending the categories of persons who are Eligible Persons and entitled to be granted options pursuant to the Stock Option Plan; (f) allowing the grant of short-term financial assistance to participants for the purpose of exercising options granted under the Stock Option Plan, subject to compliance with all applicable regulatory requirements; (g) authorizing the addition or modification of a cashless exercise feature, payable in cash or Common Shares, which provides for a full deduction of the number of underlying securities from the Stock Option Plan reserve; (h) decreasing the maximum number of Common Shares issuable under the Stock Option Plan (with a corresponding decrease in the number of Common Shares reserved for issuance under the Stock Option Plan); and (i) amendments of a "clerical" nature, including, without limitation, amending the wording of any provisions of the Stock Option Plan for the purpose of clarifying the meaning of existing provisions or to correct or supplement any provision of the Stock Option Plan that is inconsistent with any other provision of the Stock Option Plan.

Retail/Sponsor Warrant Plan

On April 8, 2001, the Board created a warrant plan (the “**Warrant Plan**”) allowing for the issuance of warrants (the “**Retailer/Sponsor Warrants**”) to purchase Common Shares to certain sponsors and retailers of the loyalty and promotion programs of the Company and its affiliates (the “**Programs**”). The purpose of the Warrant Plan is to allow certain retailers who participate in the Programs (the “**Retailers**”) and certain sponsors who sponsor the Programs (the “**Sponsors**”) to receive Retailer/Sponsor Warrants. The Board of Directors believes that the Warrant Plan enables the Company to:

- (a) encourage sponsors and retailers to participate in and promote the success and effectiveness of the Programs;
- (b) better align the interests of such sponsors and retailers with the long-term interests of the Company;
- (c) encourage the establishment and maintenance of long-term relationships with sponsors and retailers; and
- (d) differentiate itself from its competition in attracting and retaining sponsor and retailer participation in the Programs.

Every Retailer or Sponsor participating in the Warrant Plan is required to enter into an agreement with the Company (the “**Warrant Agreement**”) governing, among other things, the vesting and exercise of the Retailer/Sponsor Warrants granted thereunder. The number of Retailer/Sponsor Warrants to be granted to a Sponsor or Retailer will be based upon the relative contribution of such Sponsor or Retailer to the annual growth in the Company’s revenues generated by the Programs. The granting of the Retailer/Sponsor Warrants are also governed by the policies of the CSE as applicable.

Under the Warrant Plan, no Retailer/Sponsor Warrants may be granted to insiders (as such term is defined in the *Securities Act* (Ontario)) of the Company. The number of Common Shares which may be reserved for issuance under the Warrant Plan is limited to 1,500,000 Common Shares, provided that the Board has the right, from time to time, to increase such number subject to the approval of the shareholders of the Company. The number of Common Shares subject to issuance under the Warrant Plan represent, in the aggregate, approximately 1.5% of the issued and outstanding Common Shares as at the date hereof. The maximum number of Common Shares which may be reserved for issuance to any one person under the Warrant Plan is 5% of the Common Shares outstanding at the time of the grant (calculated on a non-diluted basis). Any shares reserved for issuance pursuant to a Retailer/Sponsor Warrant granted under the Warrant Plan which for any reason are cancelled or terminated prior to exercise will be available for a subsequent grant under the Warrant Plan. Retailer/Sponsor Warrants granted under the Warrant Plan may be exercised during a period not exceeding five years, subject to earlier termination upon the termination of the warrantholders’ retailer or sponsor agreement with the Company, or upon the warrantholder ceasing to be a Retailer or Sponsor of the Company or its affiliates or as otherwise specified in the applicable Warrant Agreement. All Retailer/Sponsor Warrants are non-transferable. The Warrant Plan contains provisions for adjustment in the number of shares issuable thereunder in the event of a subdivision, consolidation, reclassification or change of the Common Shares, a merger or other relevant changes in the Company’s capitalization. The Board of Directors may from time to time amend or revise the terms of the Warrant Plan or may terminate the Warrant Plan at any time. The Warrant Plan does not contain any provision for financial assistance by the Company in respect of Retailer/Sponsor Warrants granted under the Warrant Plan.

As of the date hereof, there were no Retailer/Sponsor Warrants granted or outstanding pursuant to the Warrant Plan.

CORPORATE GOVERNANCE

Corporate governance relates to the activities of the Board of Directors, the members of which are elected by and are accountable to the Company's shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day to day management of the Company. The Board is committed to sound corporate governance practices which are both in the interests of its shareholders and contribute to effective and efficient decision making. The Company believes that its corporate governance practices ensure that the business and affairs of the Company are effectively managed so as to enhance shareholder value.

Pursuant to National Instrument 52-110 – Audit Committees (the “National Instrument”) the Company is disclosing herewith information concerning the Audit Committee of the Board (the “Audit Committee”) and its relationship with its independent auditor. Messrs. Polley and Burns are considered to be “independent” within the meaning of the National Instrument. Mr. von der Porten is not considered to be “independent” by virtue of his completing in November 2013 an assignment for advisory services for which he received compensation from the Company. Although relationships exist between the Company and Messrs. Polley and Burns, the Board is of the view that these relationships are not “material relationships” as defined under the National Instrument as they are not reasonably expected to interfere with the exercise of independent judgment by each of Messrs. Polley and Burns. Further, Messrs. Polley and Burns, do not accept, directly or indirectly, any consulting, advisory or other compensatory fees from the Company or any subsidiary of the Company, other than as remuneration for acting as a member of the Board or any committee of the Board.

the Company, and only acted in a consulting role. Mr. Burns has no other direct or indirect relationship with the Company aside from acting as a member of the Board since February 19, 2004.

Mr. von der Porten has an MBA from Richard Ivey School of Business. Mr. von der Porten was the Interim Chief Financial Officer of the Company between November 2005 and February 2008. Disclosure of Corporate Governance Practices

The Company has reviewed its own corporate governance practices in light of the guidelines contained in National Policy 58-201 - *Corporate Governance Guidelines* (“**NP 58-201**”). The Company’s practices comply generally with the guidelines; however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore such guidelines have not been adopted. Set out below is a description of the Company’s corporate governance practices as required by National Instrument 58-101 - *Disclosure of Corporate Governance Practices* (“**NI 58-101**”).

Board of Directors

Pursuant to NI 58-101, a director is independent if the director has no direct or indirect relationship with the issuer which could, in the view of the issuer's board of directors, be reasonably expected to interfere with the exercise of a member's independent judgment. Certain directors are deemed to have a material relationship with the issuer by virtue of their position or relationship with the Company. The Board is currently comprised of six (6) members, four (4) of whom the Board has determined are independent. In assessing whether a director is independent for these purposes, the circumstances of each director have been examined in relation to a number of factors.

Stephen Burns, William H. Polley, Marc B. Lavine and Barry M. Wainstein are considered independent directors.

Kelly E. Ambrose is not considered to be an independent director as Mr. Ambrose is the President and Chief Executive Officer of the Company. Mr. von der Porten is not considered to be an independent director by virtue of his completing in November 2013 an assignment for advisory services for which he received compensation from the Company.

The majority of the directors of the Company are independent.

The Board believes that it functions independently of management. To enhance its ability to act independently of management, the Board meets in the absence of members of management and the relevant directors or may excuse such persons from all or a portion of any meeting where a potential conflict of interest arises or where otherwise appropriate. In light of the suggestions contained in NP 58-201, the Board has convened meetings of independent directors, at which non-independent directors and members of management are not in attendance, at least once annually and additionally, as may be deemed necessary.

Stephen Burns is Chairman of the Board of Directors. Mr. Burns is considered to be an independent director. Currently, the Board is satisfied that it exercises its responsibilities for independent oversight of management. The ability to establish *ad hoc* committees comprised solely of independent directors provides the Board with the ability to meet independently of management whenever deemed necessary or appropriate and the chair of each such *ad hoc* committee provides the leadership for such committee.

The following table sets out details of directorships held by each current director or nominee in other public issuers:

Name of Director	Name of Issuer

Orientation and Education

The Company does not currently have a formal orientation and education program for new Board members. New Board members receive an information package, tour the facilities and are provided with opportunities to interact with and request briefings from management in order to ensure that new directors are familiarized with the Company's business and the procedures of the Board.

Given the size of the Company and the in-depth experience of the current directors, there has been no formal continuing education program. Board members are entitled, at the Company's expense, to attend seminars that they determine necessary to keep themselves up-to-date with current issues relevant to their services as directors of the Company.

Ethical Business Conduct

The Company has implemented a corporate disclosure, confidentiality and insider trading policy to formalize the Company's policy regarding, among other things:

- (a) disclosure of information in a timely, consistent and appropriate manner;
- (b) the protection against, and prevention of, the improper use or disclosure of material and/or confidential information;
- (c) the dissemination of material information in accordance with applicable legal requirements;
- (d) the responsibilities of the Company's directors, officers and employees respecting the appropriate use and disclosure of material and/or confidential information;
- (e) the process to be undertaken to determine whether or not information is material and when and how such information should be disclosed; and
- (f) the establishment of procedures, guidelines and processes to be utilized to assist directors, officers and employees in complying with insider trading restrictions.

In circumstances where a director or executive officer has a material interest in a transaction or agreement which the Company is considering entering into, the individual is required to fully disclose his or her interest therein, an *ad hoc* committee of disinterested directors is appointed to review the same to confirm, among other things, that such transaction or agreement, as applicable, is being entered into on arm's length commercially reasonable terms. Such committee has the right to obtain advice from the Company's counsel and other professional advisors and/or appoint independent counsel and/or advisors.

The Company has implemented a Code of Business Conduct and Ethics (the "**Code**"). A copy of the Code is available under the Company's profile on SEDAR at www.sedar.com.

The Code provides that the Company's employees, officers and directors are required to act with honesty and integrity and to avoid any relationships or activities that might create, or appear to create, a conflict between personal interests and the interests of the Company. The Company is committed to providing a healthy and safe workplace in compliance with applicable laws, rules and regulations. The Code affirms the Company's commitment to foster a work environment in which all individuals are treated with respect and dignity.

The Code provides a process by which actual or potential violations of its provisions are to be reported and confirms that there will not be any reprisals against an individual who does so in good faith.

The Code also includes provisions to deal with conflicts of interest. All of the Company's employees, officers and directors are expected to comply with the Code.

The Company also operates a Workplace Ethics Hotline with an independent third party.

A shareholder or other interested party may obtain a copy of the abovementioned policies by contacting the Secretary of the Company at Suite 606, 600 Alden Road, Markham, Ontario, L3R 0E7.

Nomination of Directors

The Board has established a Compensation and Governance Committee with a mandate to conduct appropriate review and selection processes for new nominees as directors. The Committee is comprised of three independent directors. The responsibilities, powers and operations of the Compensation and Governance Committee are described in its Charter, which is set out as Exhibit "B" hereto.

Compensation

The Board of Directors reviews and approves annually the compensation of the executive officers of the Company, taking into consideration the recommendations of the Compensation and Governance Committee, comprised entirely of independent directors, and the remuneration practices of similar companies.

The responsibilities, powers and operations of the Compensation and Governance Committee are described in its Charter, which is set out as Exhibit "B" hereto.

The Board of Directors reviews on an annual basis the adequacy and form of compensation of directors to ensure that the compensation of the Board reflects the responsibilities and risks involved in being an effective director. Compensation currently consists of directors' fees and stock option grants. See "*Executive Compensation – Compensation of Directors*".

Board Committees

The Board currently has two (2) standing committees: the Audit Committee, the Compensation and Governance Committee.

The Audit Committee, whose Chairman, as of date hereof, is William Polley, was composed of three directors two of whom are independent. The Board has approved, consistent with other venture issuers of similar stage and development, amendments to the charter of the Audit Committee that will allow the Audit Committee to consist of at least three members, the majority of whom shall be neither officers nor employees of the Company or any of its subsidiaries.

The Compensation and Governance Committee, whose Chairman, as of date hereof, is Stephen Burns was composed of three independent directors during the most recently completed fiscal year. The Committee was established for the purpose of:

1. reviewing, and recommending to the Board for approval, the compensation of executive officers.

2. reviewing the Company's corporate governance practices in light of the guidelines contained in NP 58-201, to review the Company's disclosure and securities compliance policies, including, without limiting the foregoing, its communications policies, and to conduct an appropriate review and selection process for new nominees as directors.

Assessments

The Board may eventually institute a formal annual assessment process of the effectiveness and contribution of the Board as a whole, its committees and individual directors.

Until this time, based upon the Company's size, its current state of development and the number of individuals on the Board, the Board has not considered a formal process for assessing regularly the effectiveness and contribution of the Board, as a whole, its committees or individual directors to be necessary. In light of the fact that the Board and its committees meet on numerous occasions during each year, each director has significant opportunity to assess other directors. The Board plans to continue evaluating its own effectiveness and the effectiveness and contribution of its committees and individual directors on an ad hoc basis until the formal assessment process is implemented.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

No director, executive officer or employee of the Company or its subsidiaries, or former director, executive officer or employee of the Company or its subsidiaries, or proposed nominee for election as a director of the Company, nor any associate of any such director, executive officer, employee or proposed nominee is, as at the date of this Information Circular, or has been, at any time since the beginning of the most recently completed fiscal year, indebted to: (i) the Company or any subsidiary of the Company; or (ii) another entity, for which such indebtedness is, or at any time since the beginning of the most recently completed fiscal year has been, the subject of a guarantee, support agreement, letter of credit or other similar arrangement or understanding provided by the Company or any of its subsidiaries.

At the time of printing this Information Circular, the management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

VOTING SECURITIES

The authorized capital of the Company consists of an unlimited number of Common Shares, 500,000 class A preference shares, an unlimited number of class B preference shares issuable in series, and 125,000 class C preference shares. At the date hereof, the Company has outstanding 139,071,218 Common Shares, 459,781 class A preference shares, and no class B preference and class C preference shares are outstanding. Each Common Share carries one vote.

Persons registered on the books of the Company at the close of business on October 23, 2015 (the “**Record Date**”) are entitled to vote at the Meeting.

ADVICE TO NON-REGISTERED SHAREHOLDERS

Only registered holders of Common Shares or the persons they appoint as their proxies are permitted to vote at the Meeting. However, in many cases, Common Shares beneficially owned by a person (a “**Non-Registered Holder**”) are registered either: (i) in the name of an intermediary (an “**Intermediary**”) with whom the Non-Registered Holder deals in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered Registered Retirement Savings Plans (RRSPs), Registered Retirement Income Funds (RRIFs), Registered Education Savings Plans (RESPs) and similar plans); or (ii) in the name of a clearing agency (such as The Canadian Depository for Securities Limited) of which the Intermediary is a participant. In accordance with National Instrument 54-101 – *Communications with Beneficial Owners of Securities of a Reporting Issuer of the Canadian Securities Administrators* (“**NI 54-101**”), the Company has elected to deliver this management information circular to shareholders by (i) distributing a notification of meeting along with the form of proxy to the clearing agencies and intermediaries (the “**Mailed Materials**”) for distribution to Non-Registered Shareholders; and (ii) posting this management information circular on the website www.meetingdocuments.com/cst/ADX. See “Notice and Access” on page 26 for further information. The Company does not intend to pay for Intermediaries to forward to objecting beneficial owners under NI 54-101 the Mailed Materials and Form 54-101F7 – Request for Voting Instructions Made by Intermediary, and that in the case of an objecting beneficial owner, the objecting beneficial owner will not receive the Mailed Materials unless the objecting beneficial owner’s intermediary assumes the cost of delivery.

Applicable regulatory law and policy requires Intermediaries and clearing agencies to seek voting instructions from Non-Registered Holders. Without specific instructions from Non-Registered Holders, Intermediaries and clearing agencies are prohibited from voting the shares of the Non-Registered Holders. Accordingly, Intermediaries and clearing agencies are required to forward the Meeting Materials to Non-Registered Holders. Non-Registered Holders will be given, in substitution for the standard proxy otherwise contained in proxy-related materials, a request for voting instructions (the “**voting instructions form**”) which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary, will constitute voting instructions which the Intermediary must follow or less frequently a partially completed proxy.

The purpose of this procedure is to permit Non-Registered Holders to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Holder who receives the voting instructions form wish to vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should so indicate in the place provided for that purpose in the voting instructions form and a form of legal proxy will be sent to the Non-Registered Holder. Should a Non-Registered Holder who receives the partially completed proxy wish to vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should strike out the names of the persons named in the proxy and insert their (or such other person's) name in the blank space provided and return the partially completed proxy in accordance with the instructions contained therein.

In any event, Non-Registered Holders should carefully follow the instructions of their Intermediary set out in the voting instructions form or partially completed proxy.

NOTICE AND ACCESS

In 2012, the Canadian Securities Administrators announced the adoption of regulatory amendments to securities laws governing the delivery of proxy-related materials by public companies. As a result, public companies are now permitted to advise their shareholders of the availability of this management information circular on an easily-accessible website, rather than mailing physical copies.

The use of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and the Company's carbon footprint and the Company's printing costs. The Company therefore decided to deliver this management information circular to shareholders by posting it on the website www.meetingdocuments.com/cst/ADX. This information circular will also be available on SEDAR at www.sedar.com. All shareholders will also receive a notice document which will contain information on how to obtain electronic and paper copies of this management information circular in advance of the Meeting.

Shareholders who wish to receive paper copies of the management information circular may request copies by calling toll-free at 1-888-433-6443 or by emailing fulfilment@canstockta.com.

Requests for paper copies must be received at least six business days in advance of the proxy deposit date and time set out in the accompanying proxy or voting instruction form in order to receive this management information circular in advance of the proxy deposit date and Meeting. This management information circular will be sent to such shareholders within three business days of their requests if such requests are made before the Meeting. Those shareholders with existing instructions on their account to receive a paper copy of meeting materials will receive a paper copy of this management information circular.

PRINCIPAL SHAREHOLDERS

To the knowledge of the directors and executive officers of the Company, as at the date hereof, there is one principal shareholder who beneficially owns, or controls or directs, directly or indirectly, voting securities of the Company carrying 10% or more of the voting rights attached to any class of issued and outstanding voting securities of the Company. On December 30, 2013 the Company issued a news release announcing it had sold, by way of private placement, 5,159 units (each a "Unit"), at \$1,000 per Unit, comprised of (i) \$1,000 face value secured non-convertible debentures of Advantex Marketing International Inc. bearing interest at 12% per annum and maturing on September 30, 2016 and (ii) 8,150 common shares in the capital of the Company.
