

Argo Gold Expands Advisory Board

Toronto, Ontario--(Newsfile Corp. - November 30, 2017) - Argo Gold Inc. ("**Argo Gold**" or the "**Company**") (CSE: **ARQ**) is pleased to announce that Phillip Walford is joining the advisory board of Argo Gold. Phillip is the President and CEO of Marathon Gold Corporation and one of the founders of the predecessor company, Marathon PGM Corporation which was sold to Stillwater Mining in 2010. He has been involved in mining and exploration for over 40 years in operations in North and South America. His skill at evaluating projects and expanding resources was developed from working as a mine geologist and being on the development teams that brought into production several copper/zinc deposits and precious metal deposits, among them, the Williams Mine at Hemlo, discovering a large Zinc /Gold deposit in southern Chile and the San Francisco Mine in Sonora, Mexico. Phillip has held senior positions with a number of companies including Anaconda Gold, Geomaque Explorations, LAC Minerals, Pamour Porcupine Mines and Hudson Bay Exploration and development. All of these positions involved mine management knowledge as well as geological knowledge to direct mine site resource and reserve development as well as resource and reserve estimations initially on a mine site scale with Hudson Bay Exploration and Development and on a company wide scale as at Pamour Porcupine Mines and LAC Minerals.

About Argo Gold Inc.

Forward-looking Information Cautionary Statement

Except for statements of historic fact, this news release contains certain "forward-looking information" within the meaning of applicable securities law. Forward-looking information is frequently characterized by words such as "plan", "expect", "project", "intend", "believe", "anticipate", "estimate" and other similar words, or statements that certain events or conditions "may" or "will" occur. Forward-looking statements are based on the opinions and estimates at the date the statements are made, and are subject to a variety of risks and uncertainties and other factors that could cause actual events or results to differ materially from those anticipated in the forward-looking statements including, but not limited to delays or uncertainties with regulatory approvals, including that of the CSE. There are uncertainties inherent in forward-looking information, including factors beyond the Company's control. The Company undertakes no obligation to update forward-looking information if circumstances or management's estimates or opinions should change except as required by law. The reader is cautioned not to place undue reliance on forward-looking statements. Additional information identifying risks and uncertainties that could affect financial results is contained in the Company's filings with Canadian securities regulators, which filings are available at www.sedar.com.
