

Abattis announces the appointment of Dr. Shuang Xie as a Director and Provides Progress Report on Initiatives in China

Vancouver, BC – November 14, 2016 - Abattis Bioceuticals Corp. (the "**Company**" or "**Abattis**") (OTCQB: ATTBF) (CSE: ATT), is pleased to announce the appointment of Dr. Shuang Xie to the Board of Directors. Dr. Xie recently joined Abattis as the Chief Technology Advisor and continues in that capacity. Abattis is also pleased provide an update on its initiatives in China.

Our new director, Dr. Shuang Xie has been diligently working in China to increase the profile of Abattis Bioceuticals and working toward establishing exclusive venture partnerships.

Dr. Xie was instrumental in bringing the Green Nature deal to Abattis which will increase our profile in the food and nutraceutical industry in Canada, China, Taiwan, South East Asia and Japan. Green Nature is contracted to bring in revenues from existing sales channels in Asia. She is mandated to maintain revenue through existing channels and provide new revenue streams with our nutraceutical formulations.

For the past few months, Dr. Xie has been working toward commercialising the advanced proprietary technology for the extraction Cannabinol ("CBD") and Tetrahydrocannabinol ("THC"). She is establishing relationships to serve the advancement and completion of the extraction technology for commercial use in North America. It is expected that agreements for the use of the technology will be finalised in early 2017.

In concert with our efforts in Canada in our Langley testing lab and the potential for a Health Canada production license for Experion, this extraction technology will provide another layer of integration for Abattis. The Company is performing on its business plan to provide rights to agricultural technologies to be employed in extraction and processing of botanical ingredients and compounds. The Company's operating protocols, adhere to the applicable laws of Canada and foreign jurisdictions.

The Company also wishes to announce that it has issued 1,142,857 Common Shares to a consultant of the Company in satisfaction of sums owed. The shares were purchased under an exemption from prospectus requirements contained in s. 2.24 of NI 45-106 provided to employees, officers, directors and consultants of an Issuer.

Lastly, the Company announces that it has issued 485,434 common shares as compensation for services to consultants, directors and employees of the Company for the month ended October 31, 2016 and in respect of shares issued pursuant to the appointment for Dr. Panenka to the board of directors, no legend was required on any of the issued shares.
