Abattis Issues Common Shares

Vancouver, BC – December 16, 2016 - Abattis Bioceuticals Corp. (the "**Company**" or "**Abattis**") (OTCQX: ATTFB) (CSE: ATT), announces that today the Company issued 534,389 common shares as compensation for services to consultants, directors and employees of the Company for the month ended November 30, 2016 and in respect of prior months outstanding, no legend was required on any of the issued shares.

Abattis is also pleased to announced that it has been included the CSE Composite Index.

About Abattis Bioceuticals Corp.

Abattis is a specialty biotechnology company that aggregates, incubates, integrates, and invests in the botanical drug development industry. The Company develops and licenses natural health products, medicines, extractions, and ingredients for the biologics, nutraceutical, bioceutical, and cosmetic markets – some of which will contain cannabinoid compounds. The Company also has an extensive pipeline of high-quality products and intellectual property for the rapidly expanding botanical drug market. We follow strict standard operating protocols, and adhere to the applicable laws of Canada and foreign jurisdictions. For more information, visit the Company's website at: www.abattis.com.

ON BEHALF OF THE BOARD

"Rene David"

Rene David, CFO/COO and interim CEO
