

Abattis Bioceuticals Gets Added To The Marijuana Index by MJIC

Vancouver, BC – April 6, 2017 - Abattis Bioceuticals Corp. (the "**Company**" or "**Abattis**") (OTCQB: ATTFB) (CSE: ATT), is pleased to announce it has officially been added to [The Marijuana Index](#), within the Biotechnology sector.

The North American Marijuana Index tracks the leading public cannabis companies operating in the United States and Canada and gives investors up to date, centralized news on the securities deemed to be well positioned within the multi-billion dollar cannabis industry. Selected companies must meet stringent trading guidelines including having a minimum market capitalization of \$30 million and daily trading volumes of above \$400K.

"We are delighted to have Abattis added to the The Marijuana Index and look forward to sharing our story with investors closely tracking this exciting sector", stated Abattis CFO, Rene David. "As we approach sector legalization, we'll start to see markets broaden their reach from the closely covered cultivation and growing players to those advancing the technology and biosciences side of the cannabis industry", added Mr. David.

Abattis' subsidiary Northern Vine Labs is set to open its doors this month and will legally be able to test dried plant products, extracts, derivatives and edibles for licensed producers and patients under the ACMPR regulatory framework. Management will continue to provide timely updates on these developments in the coming weeks.

About Abattis Bioceuticals Corp.

Abattis is a specialty agricultural technology and biotechnology company which aggregates, integrates, and invests in agricultural technologies and biotechnology services for the legal cannabis industry developing in Canada. The Company has successfully developed and licensed natural health products, medicines, extractions, and ingredients for the biologics, nutraceutical, bioceutical, and cosmetic markets. The Company is also seeking to acquire exclusive intellectual property rights to agricultural technologies to be employed in extraction and processing of botanical ingredients and compounds. The Company follows strict standard operating protocols, and adheres to the applicable laws of Canada and foreign jurisdictions. For more information, visit the Company's website at: www.abattis.com.
