

Cielo Closes Third Tranche of Convertible Debenture Offering

Surrey, British Columbia, Canada / September 29, 2015 / CSE:CMC: Cielo Waste Solutions Corp. ("Cielo" or the "Company") is pleased to announce the closing of the third tranche of its non-brokered private placement offering (the "Convertible Debenture Offering") of up to CAD \$350,000 in secured convertible debentures (the "Convertible Debentures"), as initially news released on April 9th, 2015, with the second closing announced on July 22nd 2015. Cielo is happy to announce that it has received CAD \$50,000 from this tranche for an aggregate gross proceeds of CAD \$250,000 for all three tranches.

The Convertible Debentures will mature two (2) years from the date of issuance, carry an interest rate of 12.5% per annum, and be convertible at the option of the holder at a price of \$0.10 per common share of Cielo. The Convertible Debenture Offering is expected to continue until the maximum amount of CAD \$350,000 has been achieved. Cielo previously announced in error that an aggregate of CAD \$300,000 had been raised as of the second closing, when in fact an aggregate of CAD \$200,000 of subscriptions had been received.

The proceeds of the Offering will be used for general working capital, professional fees and primarily on building the first working renewable diesel refinery. In the event that sufficient funds are raised, a portion of the net proceeds will be used to repay a portion of Cielo's indebtedness.

Securities issued in connection with the Offering may be subject to a statutory four month hold period.

About Cielo Waste Solutions Corp.:

Cielo specializes in environmentally advanced technologies focused on materials recovery, renewable diesel and landfill reduction through responsible diversion practices. By incorporating the latest material recovery technologies, Cielo is able to achieve significant diversion from landfills while creating a feedstock specifically for renewable diesel. Cielo provides solutions for responsible waste management while also providing value added opportunities.
