

Cielo Closes First Tranche of Convertible Debenture Offering

Vancouver, British Columbia, Canada / June 30, 2016 / CSE:CMC: Cielo Waste Solutions Corp. ("Cielo" or the "Company") is pleased to announce the closing of the first tranche of its non-brokered private placement offering (the "Convertible Debenture Offering") of up to CAD \$1,000,000 in secured convertible debentures (the "Convertible Debentures"), as initially news released on April 28th, 2016. Cielo is happy to announce that it has received CAD \$20,000 from this tranche.

The Debentures bear an interest rate of 15% per annum, mature 36 months from the date of issuance and are convertible at the option of the debenture holder at any time before maturity at an exercise price of \$0.10 per common share.

The proceeds of the Offering (the "Proceeds") will be used toward the further development of the renewable diesel technology as well as to construct the first commercial renewable diesel refinery, including for permits and applications and ordering long lead items that will be used in this construction, as well as for general expenses.

Securities issued in connection with the Offering will be subject to a statutory four month hold period.

While management of Cielo had hoped that this Offering would be closed by May 31, 2016, Cielo has decided to extend the closing date to September 30, 2016.
