

Cielo Announces Conversion of Convertible Debentures

Vancouver, British Columbia, Canada / April 5, 2017 / CSE:CMC: Cielo Waste Solutions Corp. ("Cielo" or the "Company") is pleased to announce that the holders of convertible debentures (the "Debentures"), the issuance of which was announced on April 8, 2015, have elected to convert an aggregate amount equal to \$125,000 due and payable to them into 1,250,000 common shares of the Company at \$0.10 per share.

Cielo's President, Don Allan, stated "We are very pleased that the lenders have recognized the upside of converting their Debentures into shares of our Company. The support of these lenders reduces our debt and eliminates the immediate repayment of funds that we will now be able to use to advance the construction of our first renewable diesel refinery".

The conversion of the one of the Debenture constitutes a "related party transactions" within the meaning of Multilateral Instrument 61-101 – Protection of Minority Shareholders in Special Transactions ("MI 61-101"). For this conversion, Cielo relied on the exemption from the formal valuation requirements of MI 61-101 contained in section 5.5(a) and (b) of MI 61-101 on the basis that the fair market value of the transaction is not more than Twenty-Five Percent (25%) of the market capitalization of Cielo and no securities of Cielo are listed on a specified market set out in such section, and Cielo relied on the exemption from the minority shareholder approval requirements of MI 61-101 contained in Section 5.7(1)(a) and 5.7(1)(b) of MI 61-101 on the basis that the fair market value of the transaction is not more than Twenty-Five Percent (25%) of the market capitalization of Cielo and \$2,500,000.

Cautionary Note Regarding Forward-looking Statements

This news release contains certain forward-looking statements and forward-looking information (collectively referred to herein as "forward-looking statements") within the meaning of applicable Canadian securities laws. All statements other than statements of present or historical fact are forward-looking statements. Forward-looking statements are often, but not always, identified by the use of words such as "anticipate", "achieve", "could", "believe", "plan", "intend", "objective", "continuous", "ongoing", "estimate", "outlook", "expect", "may", "will", "project", "should" or similar words, including negatives thereof, suggesting future outcomes.

Forward looking statements are subject to both known and unknown risks, uncertainties and other factors, many of which are beyond the control of the Company, that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed or implied by such forward looking statements, including but not limited to: the use of proceeds of the offering, receipt of all necessary approvals of the offering, general business, economic, competitive, political and social uncertainties; negotiation uncertainties and other risks of the grocery industry. Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements, there may be other factors that cause results not to be as anticipated, estimated or intended.

Forward-looking statements are not a guarantee of future performance and involve a number of risks and uncertainties, some of which are described herein. Such forward-looking statements necessarily involve known and unknown risks and uncertainties, which may cause the Company's actual performance and results to differ materially from any projections of future performance or results expressed or implied by such forward-looking statements. Any forward-looking statements are made as of the date hereof and, except as required by law, neither the Company assumes no obligation to publicly update or revise such statements to reflect new information, subsequent or otherwise.
