Date and Subject of Report

The following Management Discussion & Analysis ("MD&A") is intended to assist in the understanding of the trends and significant changes in the financial condition and results of operations of Easy Technologies Inc. (formerly EasyMed Services Inc.) (the "Company") for six months ended April 30, 2016, and should be read with the Company's condensed consolidated interim financial statements for the same period and the annual consolidation financial statements for the most recent year ended October 31, 2015. The Company's financial statements and additional information of the Company can be viewed at SEDAR at www.sedar.com.

The MD&A has been prepared effective June 29, 2016.

Financial statements of the Company are reported in accordance with International Financial Reporting Standards ("IFRS"). Both the financial statements and MD&A of the Company are presented in Swiss Francs unless stated otherwise.

The information contained herein may contain forward-looking statements. Readers are cautioned that the assumptions used in the preparation of such information, although considered reasonable at the time of preparation, may prove to be imprecise and, as such, undue reliance should not be placed on forward looking information. Additional information relating to the Company can be found on the SEDAR website at www.sedar.com.

Forward Looking Statements

This MD&A contains certain forward-looking information and forward-looking statements, as defined in applicable securities laws (collectively referred to herein as "forward-looking statements"). These statements relate to future events or the Company's future performance. All statements other than statements of historical fact are forward-looking statements. Often, but not always, forward-looking statements can be identified by the use of words such as "plans", "expects", "is expected", "budget", "scheduled", "estimates", "continues", "forecasts", "projects", "predicts", "intends", "anticipates" or "believes", or variations of, or the negatives of, such words and phrases, or state that certain actions, events or results "may", "could", "would", "should", "might" or "will" be taken, occur or be achieved. Forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause actual results to differ materially from those anticipated in such forward-looking statements. The forward-looking statements in this MD&A speak only as of the date of this MD&A or as of the date specified in such statement.

The Company has no intention and undertakes no obligation to update or revise any forward-looking statements, whether written or oral that may be made by, or on behalf of, the Company, except as required by applicable securities laws.

The following table outlines certain significant forward-looking statements contained in this MD&A and provides the material assumptions used to develop such forward-looking statements and material risk factors that could cause actual results to differ materially from the forward looking statements.

All forward-looking statements herein are qualified by this cautionary statement. Accordingly, readers should not place undue reliance on forward-looking statements.

Overall Performance

New Business

The company previously conducted its main business, through its wholly owned Swiss subsidiary, EasyMed Services S.A., to design, develop, and deliver end-to-end patient care solutions through internet. In January 2015, the Company decided to dispose the operations of EasyMed Services S.A. in order to preserve resources.

On April 4, 2016, the Company entered into an agreement (the "Development Agreement") with Skill Development LLC ("Skill"), a private US-based software technology development company, to develop an internet based platform with the aim to operate a portal known as HouseTrivia.com (the "Platform"). The Platform will hold numerous trivia competitions during a three-year period with significant prizes including houses, exotic cars and home renovations (the "Competition"). Participants are required to pay entry fees to get into these Competitions.

The Company will provide the necessary funding for the development and launching of the Platform up to a maximum of US\$1,000,000 in return for 50% of the pre-tax profits from the exploitation of the platform during a three-year period after the completion of the platform.

This Development Agreement can be terminated by either the Company and Skill by a 30-day written notice.

MANAGEMENT'S DISCUSSION AND ANALYSIS
OF THE COMPANY'S FINANCIAL CONDITION AND RESULTS OF OPERATIONS
SIX MONTHS ENDED APRIL 30, 2016**

The Company is considering to present its financial statements in CAD (currently in CHF) commencing the next quarter despite of this new business development.

Share consolidation

Commencing February 5, 2016, the Company consolidated its outstanding shares on 10-to-1 basis. The presentation of number of outstanding shares and loss per share in this MD&A has been adjusted retrospectively.

Private placement

During six months ended April 30, 2016, the Company closed a non-brokered private placement and issued 3,572,003 common shares at a price of CAD\$0.07 per share for gross proceeds of CAD\$250,040 (CHF183,829). The Company will use the gross proceeds for its working capital.

Issuance of options

On March 11, 2016, the Company granted 150,000 options to its directors and officers at exercise price of CAD\$0.25/share (equivalent to CHF 0.19/share). These options had a fair value of CAD\$0.15 (equivalent to CHF0.092) per option at the grant date, were 100% vested on the grant date and will expire March 11, 2021 if un-exercised. 100,000 of these options were exercised in May 2016.

Selected Quarterly Information

The following table summarizes the results of operations for the eight most recent quarters and is derived from the Company's financial statements:

SIX MONTHS ENDED APRIL 30, 2016**

- a) The Company has recorded net earnings in 2015 Q1 - an improvement comparing to other quarters which show quarterly losses. This improvement is a result of recording a non-recurring gain of CHF 212,565 from debt settlement at discount.

As the Company has entered into a new agreement in April 2016 in order to earn an interest in newly developed online gaming platforms (see discussion in the section "New Business"), the Company may incur additional capital expenditures in the next twelve months.

Six months ended April 30, 2016 ("2016 Six Months")

Net loss in 2016 Six Months was CHF 60,782 comparing to an income of CHF 161,995 in 2015 Six Months, a negative change of CHF 222,777. The net loss was mainly a result of CHF Nil other revenue (2015 Six Months – CHF 5,100), a gain on debt settlement of CHF Nil (2015 Six Months – CHF212,565), and the effect of having operating expenses of CHF 56,041 (2015 Six Months – CHF87,172).

The Company settled various outstanding loan plus unpaid interest and some accounts payable at discount during 2015 Six Months. A gain on the settlement of CHF 212,565 was recognized. There was no similar transaction in 2016 Six Months.

Operating expenses incurred in 2016 Six Months was lower as the Company closed its operating subsidiary in Swiss near the end of 2015 second quarter. Main components of the operating expenses are salaries and consultant fees of CHF 28,021 (2015 Six Months – CHF 21,794), general operating expenses of CHF 9,567 (2015 Six Months – CHF 65,378) and share based compensation of CHF18,380 (2015 Six Months – CHF Nil)

As at April 30, 2016, the Company had CHF 8,974 cash (October 31, 2015– CHF 887), CHF33,579 accounts payable and accrued liabilities (October 31, 2015 – CHF89,168), CHF Nil loans payable to related party (October 31, 2015 – CHF79,893), and share capital of CHF 2,363,889 (October 31, 2015 – CHF2,180,060).

The increase of cash is the combined result of receipt of CHF 183,829 from issuing shares which was offset by repayment of related party loan CHF 79,893 and use of CHF95,849 in operating activities during 2016 Six Months.

Three months ended April 30, 2016 ("2016 Q2")

Net loss in 2016 Q2 was CHF 40,036 comparing to a loss of CHF 30,509 in 2015 Q2. The net loss was mainly a combined result of having operating expenses of CHF 37,125 (2015 Q2 – CHF69,757), which was partially offset by a gain on debt settlement of CHF Nil (2015 Q2 – CHF39,719).

As discussed in the above, the Company settled various outstanding loan plus unpaid interest and some accounts payable at discount during 2015 Six Months. A gain on the settlement of CHF 39,719 was recognized to the statement of comprehensive income. There was no similar transaction in 2016 Q2.

Operating expenses incurred in 2016 Q2 was generally lower as the Company closed its operating subsidiary in Swiss near the end of 2015 second quarter.

Liquidity and Capital Resources

As at April 30, 2016, the Company had cash of CHF 8,974 (2015/10/31 – CHF 887) and working capital deficiency of CHF 17,662 (2015/10/31 – deficiency of CHF 162,646). The Company intends to raise additional capital by equity and/or long term debt financing in the next twelve months to eliminate the working capital deficiency and to provide adequate resources to finance its long term business objectives.

Net cash used in operating activities during 2016 Six Months was CHF 95,849 (2015 Six Months – CHF 127,067). Net cash provided by financing activities during 2016 Six Months was CHF 103,936 (2015 Six Months – CHF 122,019).

There was no cash provided by (used in) investing activities during 2016 Six Months.

Management realized that the current resources on hand are not adequate to meet the operational needs in the next twelve operating periods and to meet its long term business goals. In addition the Company is required to raise money to eliminate its working capital deficiency and to provide resources to fulfill the Company's obligations when they are due. The Company plans to conduct further non-current debt financing and/or equity financing in the future in order to provide the Company a positive working capital and adequate liquidity to finance its operations. Readers are cautioned that the Company may not be able to do so in the future even the Company has a history to raise capital in the past when needed.
