### **EASY TECHNOLOGIES CLOSES \$53,000 FINANCING**

**September 27, 2017 – Vancouver, BC** – Easy Technologies Inc. (CSE: EZM / Frankfurt: EY61 / OTC Pink: EMYSF) (“the Company” or “Easy Tech”) is pleased to announce that its private placement announced February 13, 2017 has closed. The Company raised \$53,000 for the issuance of 530,000 units at a price of \$0.10 per Unit. Each Unit consists of one common share and one-half of a common share purchase warrant.

Each whole common share purchase warrant will entitle the holder to acquire one additional common share in the capital of the Company at a price of \$0.15 per share for a period of two years from the date the Units are issued. The warrants are subject to an acceleration clause after the resale restrictions on the shares have expired. The expiry time of the warrants can be accelerated if the Company’s shares trade at or above a weighted average trading price of \$0.30 per share for 10 consecutive trading days.

The Company did not pay any finder’s fees on this financing and all securities issued pursuant to the placement will be subject to a hold period of four months from the date the common shares are issued.

The proceeds from this financing will be used for general working capital
