

Glance Technologies offered in “Best New” Restaurants

January 11, 2017 – Vancouver, B.C. – Glance Technologies Inc. (CSE:GET.CN / FKT:GJT) is pleased to announce that Glance Pay, North America’s number one mobile payments app for restaurants, is offered at five of Vancouver’s best new restaurants as awarded by vancouverfoodster.com for 2016.

Glance would like to congratulate our partner restaurants House Special, Juke, Bao Down Snack Bar, and Terroir Kitchen for this recognition by Vancouver Foodster's "Best New Restaurants of 2016", as well as, Fable Diner for honourable mention. The complete list of restaurants can be found at <http://vancouverfoodster.com/2016/12/20/best-new-vancouver-restaurants-in-2016/>.

“The Glance Pay sales team builds relationships with the most reputable, trendy and recognized restaurants in the city to offer our app user base a genuine perspective of Vancouver’s most sought after culinary experiences. Not only can our app allow for a faster and more convenient payment option, it allows restaurants to strategically and effectively market to their target demographic by showcasing their distinctive cuisine, special events and location,” states Penny Green, Co-Founder & COO.

About Glance Technologies Inc.

Glance Technologies owns and operates Glance Pay, a streamlined payment system that allows customers to pay their restaurant bill instantly with their mobile device. Glance Pay aims to revolutionize how smartphone users choose where to dine, settle their restaurant bills, access their payment records and interact with their favourite restaurants. Glance Pay intends to become the industry standard as one of the four pillars in restaurant payments, beside credit cards, debit cards and cash. Glance is building a valuable network of restaurants and consumers, to which it plans to expand its service offering over time. For more information about Glance, please go to www.glance.tech or www.glancepay.com and follow Glance Technologies and Glance Pay on Facebook, twitter, LinkedIn, and Instagram and YouTube.
