

## Glance Technologies Announces 2017 Revenue Strategy and Portfolio

**January 17, 2017 – Vancouver, B.C.** – Glance Technologies Inc. (CSE:GET.CN / FKT:GJT / OTC Pink: GLNNF) is pleased to announce its 2017 revenue strategy for Glance Pay, its mobile payments app for restaurants, through the offering of a portfolio of services, reseller and referral agreements, and in-house digital marketing.

Glance Pay provides its partner restaurants a unique form of connection with their customers, through Glance's in-app marketing solution. This form of marketing provides restaurants the ability to promote and incentivize their target demographic with relevant, real-time communication.

"Glance was founded on the principle of enhancing the customer experience and our forward thinking solutions continue that focus," states Desmond Griffin, Co-Founder and CEO.

Glance Pay has entered into an agreement with Blue Martini Jazz Cafe, Vancouver's premier fine dining, live music venue, to offer exclusive digital marketing promotions and services.

"Utilizing Glance Pay, not only for its successful mobile payment solution, but for their niche digital marketing services was exactly what Blue Martini Jazz Cafe needed to grow our audience effectively," said Carlos Rodriguez, General Manager.

Glance Pay's 2017 revenue strategy and portfolio now includes processing fees for mobile payment transactions, a monthly fee package, in app marketing and digital marketing solutions, customer intelligence and feedback, competitive merchant services for non-mobile payments, influencer events and video production. As a result of our multi-faceted revenue strategy, Glance has also secured a new contract for non-mobile payments, as a reseller of Global Payment Solutions (NYSE:GPN), based on the key relationships built via Glance Pay.

### **About Glance Technologies Inc.**

Glance Technologies owns and operates Glance Pay, a streamlined payment system that allows customers to pay their restaurant bill instantly with their mobile device. Glance Pay aims to revolutionize how smartphone users choose where to dine, settle their restaurant bills, access their payment records and interact with their favourite restaurants. Glance Pay intends to become the industry standard as one of the four pillars in restaurant payments, beside credit cards, debit cards and cash. Glance Pay has set the standard for service and quality of product in the launch of its mobile payment system, as demonstrated by its success in adoption and use by customers and restaurants alike. Forward-Looking Statements

This press release contains certain forward-looking statements within the meaning of applicable securities law. Forward-looking statements are frequently characterized by words such as “plan”, “expect”, “project”, “intend”, “believe”, “anticipate”, “estimate” and other similar words, or statements that certain events or conditions “may” or “will” occur. Specially, the statements about Glance expanding its sources of revenue and offering new revenue-producing serves to restaurants are forward-looking statements, and there can be no certainty that these statements will prove to be correct.

Although Glance believes that the expectations reflected in the forward-looking statements are reasonable, there can be no assurance that such expectations will prove to be correct. Such forward-looking statements are subject to risks and uncertainties that may cause actual results, performance or developments to differ materially from those contained in the statements.
