

GLANCE PAY EXPANDS LOCATIONS AND INCREASES RATE OF CONSUMER ACQUISITION BY 800% IN TORONTO

July 20, 2017 – Vancouver, B.C. – Glance Technologies Inc. (CSE:GET.CN) (OTCQB:GLNMF) (CSE:GET.WT), (FKT:GJT) is pleased to announce that Glance Pay, its mobile payment solution for merchants, has continued its Toronto expansion with a highly respected Toronto based chain.

The popular vegan and vegetarian chain, Fresh Restaurants, has now agreed to launch at their additional four locations as a result of Glance Pay's success at Fresh on Crawford.

“Having chains like Fresh offer Glance Pay at all of their locations is a true testament to our ability to enhance both the guests' and restaurants' overall experience. As we add more locations in an area, our offering becomes more compelling for both users and merchants,” says Desmond Griffin, CEO, Glance, “The excitement and adoption of Glance Pay has been fantastic, with an 800% increase in the rate of consumer adoption in Toronto last month compared to just 2 months prior. As we add more users in an area, we become positioned to take increasing advantage of viral network effects. We are aggressively launching marketing campaigns to attract more consumers. This week we launched an initiative with the online media source Daily Hive (which has over 7 million page views per month) to feature contests with entry requirements to download Glance Pay, which we believe has great viral potential. Simultaneously, we are forging strategic alliances with local companies to offer our consumers elaborate prizes, such as our current fireworks package: a helicopter ride and dinner for 2 with a V.I.P view of the firework at a Glance Pay restaurant.” <http://dailyhive.com/vancouver/glance-pay-vip-celebration-of-light-contest>.
