

APPLE'S NEW IPHONE FACE ID TO MAKE GLANCE PAY FASTER & MORE SECURE

September 14, 2017 – Vancouver, B.C. – Glance Technologies Inc. (CSE:GET.CN) (OTCQB:GLNNF) (CSE:GET.WT) (FKT:GJT) is pleased to announce Apple's recently unveiled facial recognition technology (Face ID) will help payments made via Glance Pay faster, easier, and more secure.

"By building a network of merchants and consumers on a mobile technology platform, we are positioned to take advantage of the relentless advancement of mobile technology," says Glance CEO Desmond Griffin, "iPhone users that adopt Apple's new Face ID will be able to pay more easily, quickly, and securely by glancing at their phone and paying with Glance Pay."

Combining Apple's new security features with Glance Pay's proven anti-fraud technology makes the future of mobile payments that much more compelling.

Additionally, Apple's recent example of wireless phone charging built into restaurant tables is another illustration of how mobile technology advances set the stage for increasing usage of mobile payments by making it that much easier to use mobile devices in restaurants & other environments.
