

GLANCE APPOINTS #5 TOP BLOCKCHAIN INFLUENCER AND ICO CONSULTANT DINIS GUARDA TO ADVISORY BOARD

November 13, 2017 – Vancouver, B.C. – Glance Technologies Inc. (CSE: GET / OTCQB: GLNNF / FKT: GJT) announces the appointment of strategist Dinis Guarda to its advisory board.

Dinis Guarda is ranked 5th most influential influencer in Blockchain in the world by Right Relevance. Glance has engaged Mr. Guarda to secure the teams for tech development for a possible initial coin offering for a rewards based cryptocurrency to be integrated with the Glance Pay mobile payment network and to provide strategy and assist Glance in building a premium advisor crypto network.

“I like the Glance Technologies vision and I’m excited to be on board to help develop its blockchain solution,” says Dinis Guarda, “With its mobile payment technology and its position as a publicly traded company, Glance has enormous potential in the cryptocurrency space.”

With over 20 years in international business and digital transformation, Mr. Guarda has worked with new tech, digital, cryptocurrencies, drive ICOs, regulation, compliance, legal international processes, and has created and been involved in various new digital top 100 digital currencies. Dinis Guarda is internationally recognized as a top influencer and leader in fintech, blockchain and artificial intelligence. Mr. Guarda is a self-proclaimed “doer”. He has been a CEO, board member, digital and crypto economics driver and evangelist. He created and helped companies and organizations gain greater value and maximise their return on investment and return on attention in what he refers to as “a digital disruptive world”.

“Dinis adds tremendous value to our advisory team through his extensive network and his deep knowledge and experience in fintech and blockchain,” says Penny Green, Glance President & COO, “We plan to work with Dinis and our other advisors to build Glance a world leading cryptocurrency advisory network with 20 - 30 members.”

About Glance Technologies Inc.

Glance Technologies owns and operates Glance Pay, a streamlined payment system that revolutionizes how smartphone users choose where to dine, order goods and services, make payments, access digital receipts, redeem digital deals, earn great rewards & interact with merchants. Glance is building a valuable network of merchants and consumers, and offers targeted in-app marketing, geo targeted digital coupons, social media marketing, customer feedback, in-merchant messaging and custom rewards programs. The Glance Pay mobile payment system consists of proprietary technology, which includes user apps available for free downloads in IOS (Apple) and Android formats, merchant manager apps, a large scale technology hosting environment with sophisticated anti-fraud technology and lightning fast payment processing. Glance Pay has entered into significant licensing agreements to access the cannabis, fitness and wellness, foreign student and tourist markets through Cannapay

Financial Inc., Active Pay Distribution Inc. and Euro Asia Pay Holdings Inc. Glance Pay is building a network of international advisors developing a cryptocurrency which will offer reward elements for use on its platform.
