

iAnthus Capital Holdings, Inc. Commences Trading on the Canadian Securities Exchange Under Ticker “IAN”

Toronto, Ontario, and New York, New York, September 7, 2016 -- iAnthus Capital Holdings, Inc. (“iAnthus” or the “Company”) (CSE: IAN), which delivers a comprehensive solution for financing and managing licensed cannabis cultivators, processors and dispensaries throughout the United States, today announced that its common shares will begin trading on the Canadian Securities Exchange (the “CSE”) on September 7, 2016 under the ticker symbol “IAN”.

“We believe there is a significant opportunity to provide financing to the U.S. cannabis industry right now,” said Hadley Ford, CEO of iAnthus. “This is an existing \$50 billion industry moving from a shadow economy to a legalized, highly-regulated business opportunity governed by individual state laws and regulatory systems. There is a serious lack of investment capital currently available to fund this industry transition. iAnthus is poised to fill that gap by sourcing capital through the Canadian public markets, thereby offering the opportunity to participate in the industry’s growth to the investment community as well.”

iAnthus Capital Management, LLC, iAnthus’ wholly-owned subsidiary, was formed in September 2014 to capitalize on the rapidly growing U.S. regulated cannabis (marijuana) market and the unique opportunity that exists for providing capital investment and expert management services to licensed cultivators, product manufacturers and dispensaries. iAnthus previously announced the closing of a US\$6.7 million private placement in May, 2016. Funds from the private placement will be used to invest in its existing partners in Massachusetts, New Mexico and Vermont.
