“iAnthus has established itself as a source of capital for licensed cannabis cultivators, processors and dispensaries throughout the United States and the decision to develop a strategic relationship with iAnthus was a simple one. Hadley Ford, CEO of iAnthus, said: “TGS is one of the leading cannabis operators in the world, measured by impressive revenue growth and award-winning product quality, and we look forward to advancing this mutually beneficial strategic relationship. Our mission is to provide strategic

capital and capital markets expertise to licensed US cannabis operators, such as TGS and TGS National Franchise's franchisees." Mr. Ford continued, "It's an added benefit that TGS will provide iAnthus with advice and expertise to help us optimize our existing investments in Colorado and across the U.S."

The Loan Facility:

The Loan Facility consists of a credit facility between iAnthus' wholly owned Colorado subsidiary, Scarlet Globemallow, LLC ("**Scarlet**"), and TGS' parent company in the amount of US\$7,500,000. The Loan Facility has a term of one year, and interest on borrowings is payable at the rate of 14% during the first 4 months, escalating to 23% for the remaining 8 months. The Loan Facility will be drawn in tranches over the next four months, with the first tranche being US\$2,150,000. The investment is an arm's length transaction and iAnthus holds no ownership interest in TGS or its parent company.

"TGS' operational advice and involvement with iAnthus in our four current investments will leverage the years of experience that TGS has acquired in becoming one of the largest operators in the US and is expected to translate into meaningful benefits for iAnthus' current investments including operational efficiencies and product formulation," said iAnthus CFO, Julius Kalcevich.

Bought Deal Private Placement of Convertible Debentures

In conjunction with the Credit Facility, the Company has entered into an agreement with a syndicate of of underwriters led by Canaccord Genuity Corp. and including Beacon Securities Limited (the “**Underwriters**”) pursuant to which the Underwriters have agreed to purchase, on a bought deal, private placement basis, C\$15,000,000 aggregate principal amount of unsecured convertible debenture (the “**Convertible Debentures**”) at a price of C\$1,000 per Convertible Debenture (the “**Offering**”).

Upon a change of control of the Company, holders of the Convertible Debentures will have the right to require the Company to repurchase their Convertible Debentures, in whole or in part, on the date that is 30 days following the giving of notice of the change of control, at a price equal to 104% of the principal amount of the Convertible Debentures then outstanding plus accrued and unpaid interest thereon (the “**Offer Price**”). If 90% or more of the principal amount of the Convertible Debentures outstanding on the date of the notice of the change of control have been tendered for redemption, the Company will have the right to redeem all of the remaining Convertible Debentures at the Offer Price.

Net proceeds from the Offering will be used primarily for funding the Credit Facility and for general working capital purposes.
