**Khan Announces Mailing of Management Information Circular
With Respect to Plan of Arrangement and Annual and Special Meeting**

TORONTO, ONTARIO, Canada, April 13, 2017 – Khan Resources Inc. ("**Khan**" or the "**Company**") (CSE: KRI) announces that it has mailed its management information circular, related voting materials and letter of transmittal (collectively, the "**Meeting Materials**") to Khan shareholders (the "**Shareholders**") in connection with the annual and special meeting to be held on May 5, 2017 (the "**Meeting**").

At the Meeting, Shareholders will be asked to approve a transaction (the "**Arrangement**") whereby Arden Holdings Ltd. ("**Arden**"), will acquire all of the issued and outstanding common shares of Khan (the "**Common Shares**") for cash consideration of \$0.05 per Common Share (the "**Cash Consideration**") through 2567850 Ontario Inc. ("**Arden BidCo**"), a wholly-owned subsidiary of Arden, in accordance with the terms of an arrangement agreement dated as of March 22, 2017 between Khan, Arden Holdings and Arden BidCo (the "**Arrangement Agreement**"). The Arrangement is anticipated to be completed in early May 2017. The transaction is subject to Khan shareholder approval, court approval and other customary closing conditions.

The Meeting Materials have been filed on SEDAR and are available at www.sedar.com and www.khanresources.com

Background to the Arrangement

On November 10, 2016, the voluntary liquidation and dissolution of Khan (the "**Winding-Up**") was approved by way of a special resolution (the "**Liquidation Resolution**") by 99.95% of the Common Shares voted at a special meeting of the Shareholders. The Liquidation Resolution gave a clear mandate to Khan, supported by an overwhelming majority of Shareholders, to implement the Winding-Up. The Liquidation Resolution does, however permit the board of directors of Khan (the "**Board**") to discontinue the Winding-Up if it determines that continuing with the Winding-Up is no longer in the best interest of the Company and its Shareholders. Khan currently anticipates that any further distributions pursuant to the Winding-Up would aggregate between \$0.02 and \$0.07 per Common Share (based on the worst case and best case scenarios).

Recommendation of the Special Committee and the Board of Directors

The Arrangement provides Shareholders with the opportunity to receive cash of \$0.05 per Common Share now rather than wait for the completion of the Winding-Up, which could take another year or more. In light of this, the Board has determined that it is in the best interest of Khan and its Shareholders to enable Shareholders to vote on this opportunity. If the required Shareholder approval for the resolution in respect of the Arrangement (the "**Arrangement Resolution**") is not obtained at the Meeting, or the Arrangement is otherwise not completed, the Board will continue to proceed with the Winding-Up of Khan in accordance with the Liquidation Resolution. **Accordingly, the special committee of independent directors formed for the purpose of evaluating the Arrangement (the "Special Committee") unanimously believes, as does all but one of the directors, that the Arrangement is in the best interests of Khan and its Shareholders, and recommend that Shareholders vote their Common Shares IN FAVOUR of the Arrangement Resolution.**

Fairness Opinion

The Special Committee and the Board has received a written fairness opinion (the "**Fairness Opinion**"), dated March 24, 2017, from Blair Franklin Capital Partners Inc. (the "**Financial Advisor**"), which states that in the opinion of the Financial Advisor and based upon and subject to the assumptions, limitations and qualifications contained therein, the Cash Consideration to be received by the Shareholders pursuant to the Arrangement is fair, from a financial point of view, to the Shareholders.
