RE: LeenLife Pharma International Inc. (CA5242751041) Transfer Agent Change

On November 3, 2016, National Issuer Services Ltd., was appointed Transfer Agent & Registrar for LeenLife Pharma International Inc. The Notice of Termination of the Transfer Agent and Registrar Agreement between the issuer and outgoing transfer agent has been signed by the issuer and delivered to the outgoing transfer agent.

We expect receipt of the issuers transfer agent files from the outgoing transfer agent on December 3, 2016, and will thereafter be in a position to affect transfers and prompt delivery of share certificates.

Please forward any questions, comments, or requirements to me directly.
