

## **Newlox Gold - Greater China Marketing Strategy**

Vancouver, December 22, 2016 – Newlox Gold Ventures Corp. (CSE: LUX Frankfurt: NGO) (“Newlox” or the “Company”) announces it has engaged NAI Interactive Ltd. to assist it in its investor outreach initiatives in the Greater China region, including the Peoples’ Republic of China, Republic of China, and the Hong Kong Special Administrative Region, as well as Chinese speaking investors in North America. The objective is to increase the Company’s exposure with investors in the Greater China region and be introduced to potential financial backers for the Company to finalise the commercial commissioning of Newlox’s already constructed tailings remediation facility in Central America and to advance Newlox’s plans for deployment of additional proposed processing facilities in Latin America.

Under the terms of the agreement, NAI will provide Outreach and Marketing Services to Newlox for the purpose of building market awareness and developing potential partnerships in the Greater China Region. With the growing interest from large-scale Asian enterprises in overseas resource investments, Newlox and NAI view the Greater China region as a natural jurisdiction for seeking funding and partnerships, which will enhance the Company’s profile and grow shareholder value. As consideration for the agreed services Newlox will issue to NAI a one-time payment of 1,800,000 common shares of the company, basis \$0.05 per common share.

Additionally, Newlox announces a private placement for issuance of 400,000 common shares and 400,000 share purchase warrants. Each Warrant is non-transferrable and entitles the holder to purchase an additional Newlox common share for \$0.05 in the first 12 months, \$0.10 between month 13 and 24 and \$0.15 between months 25 and 36. All unexercised warrants shall expire after a term of 3 years.

Ryan Jackson, Newlox’s President states: “We are pleased to have NAI Interactive as our interface with the Greater China Region and the Chinese speaking community here and abroad. Our association with NAI will ensure communications efficiencies in attracting investor interest and capital investment opportunities.”
