Lightning Industries Partners with Oilengy for Commercialization and Product Promotion in Multiple Geographical Regions

VANCOUVER, CANADA, December 12, 2017 – Lightning Ventures Inc. (CSE: LVI) (Frankfurt: 1HM) (the “Company”) is pleased to announce that its wholly-owned subsidiary, Lightning Industries, has contracted with Oilengy Mexico S.A. de C.V. (“Oilengy”) to install, operate, and maintain the Pemex pilot project on behalf of Lightning Industries. The pilot will commence during the week of January 11th through the 15th on a well in the Tamaulipas field. Oilengy will be responsible for preparing the reports presented to Pemex at the conclusion of the pilot.

In addition, Lightning Industries entered into a Strategic and Commercial Alliance Agreement with Oilengy to promote Lightning’s product lines in Mexico, Brazil, Venezuela, Colombia, Ecuador, and Argentina.

Don Rainwater, President and CEO, commented: “Oilengy México is based in Monterrey, N.L., México and has extensive experience in the oil and gas sectors in Latin America. Latin American oil production is dominated by Brazil, Mexico, and Venezuela. These countries rank as the world’s ninth, tenth and twelfth largest oil producers, respectively. Our alliance will expedite market penetration and accelerate revenue opportunities in these key petrochemical geographical segments.”
