**Q Investments Enters Into \$100,000 Loan Agreement and
Purchases Shares of Outrider Energy Corp.**

June 10, 2015 – Q Investments Ltd. (the “Company”) is pleased to announce that it has received a \$100,000 loan (the “Loan”) from a ‘control person’ of the Company (the “Lender”). Principal and interest (5%) on the Loan are repayable on demand.

The Company has used a portion of the proceeds from the Loan to purchase 165,000 common shares of Outrider Energy Corp. (“Outrider”) through the facilities of the Canadian Securities Exchange, at a price of \$0.25 per share for a total purchase price of \$41,450 (the “Acquisition”). The Outrider shares were purchased from 0972421 B.C. Ltd., a British Columbia private company (the “Vendor”). The Outrider shares acquired represent approximately 11.2% of the issued and outstanding shares of Outrider.

As a result of the Acquisition, the Company has direct and indirect control and direction over a total of 165,000 common shares of Outrider representing approximately 11.2% of the issued and outstanding shares of Outrider on a non-diluted basis.

The securities acquired will be held for investment purposes. The Company may, depending on market and other conditions, increase or decrease its beneficial ownership of Outrider’s securities, whether in the open market, by privately negotiated agreements or otherwise, subject to a number of factors, including general market conditions and other available investment and business opportunities.

The Loan and the Acquisition constitute "related-party transactions" within the meaning of Policy 5.9 of the TSX-V and Multilateral Instrument 61-101 (“MI 61-101”), as the Lender is a ‘control person’ of both the Company and the Vendor. The Company has relied on an exemption from the valuation and minority shareholder approval requirements of Policy 5.9 of the TSX Venture Exchange and MI 61-101 based on a determination that the fair market value of the Loan and the Acquisition do not exceed 25% of the Company’s market capitalization. The Loan and the Acquisition have been approved by all directors of the Company.

This press release complies with the requirements of Multilateral Instrument 62-104, which also requires a report to be filed containing additional information with respect to the foregoing matters.
