**Q Investments Ltd. Enters Into Loan Agreement and
Purchases Shares of Outrider Energy Corp.**

July 22, 2015 – Q Investments Ltd. (the “Company”) is pleased to announce that it has purchased 125,000 common shares of Outrider Energy Corp. (CSE: MCF) (“Outrider”) in a private off the market transaction (the “Acquisition”) from an arm’s length party (the “Seller”) pursuant to a share purchase agreement (the “Agreement”). Pursuant to the Agreement, the purchase price for the shares was \$0.25 per share for an aggregate purchase price of \$31,250 (the “Purchase Price”), and the Purchase Price has been deemed a demand loan from the Seller to the Company (the “Loan”). In connection with the Loan, the Company has executed a loan agreement (the “Loan Agreement”) and delivered a promissory note to the Seller. Pursuant to the Loan Agreement, any outstanding balance of the principal amount of the loan, and other costs or charges payable thereunder (the “Outstanding Balance”), will be immediately due and payable by the Company on the earlier of ten business days from the date on which the Company receives written notice from the Seller demanding repayment of the Outstanding Balance and the occurrence of an event of default under the Loan Agreement. The 125,000 common shares acquired represent approximately 8.49% of the issued and outstanding shares of Outrider.

As a result of the Acquisition, the Company has direct and indirect control and direction over a total of 290,000 common shares of Outrider representing approximately 19.70% of the issued and outstanding shares of Outrider on a non-diluted basis.

The securities acquired will be held for investment purposes. The Company may, depending on market and other conditions, increase or decrease its beneficial ownership of the Issuer’s securities, whether in the open market, by privately negotiated agreements or otherwise, subject to a number of factors, including general market conditions and other available investment and business opportunities.

This press release is issued pursuant to Multilateral Instrument 62-104, which also requires a report to be filed containing additional information with respect to the foregoing matters.
