Plus8 Global Announces Amendment to Private Placement

Vancouver, British Columbia, February 9, 2016 – Plus8 Global Ventures, Ltd. (CSE: PGT), (the “**Company**”) announces that, further to its news release dated February 4, 2016, the Company intends to complete the non-brokered private placement of up to 1,500,000 units (the “**Units**”) at an increased Unit price of \$0.1125 per Unit to raise gross proceeds of up to \$168,750 (the “**Financing**”). The Units are being re-priced in order to more accurately reflect the current market price of the Company’s shares. Each Unit will now consist of one common share and one full share purchase warrant, with each warrant entitling the holder to purchase one additional common share of the Company at \$0.20 for a period of 18 months from closing. All securities issued in connection with the Financing will be subject to a hold period of four months from the date of closing.

The Company intends to use the proceeds of the Financing to support the Company's ParcelPal beta program and for general working capital.

ParcelPal is a parcel delivery mobile app technology platform which allows delivery people to utilize the ParcelPal Driver App to engage with customers wanting delivery services. The Company anticipates starting a ParcelPal beta program in mid-February and intends to continue it until the end of March. The Company has selected five paying clients and several delivery persons from its pool of over 500 registered individuals to participate in the Vancouver beta launch. Downtown rush deliveries are expected to cost as little as \$4.00, of which 80% would be paid to the delivery person. No funds are exchanged by the delivery person or the client. Rather, the ParcelPal app charges the client automatically when the package has been delivered and the delivery persons are paid bi-weekly by direct deposit. Following its pilot launch in Vancouver, ParcelPal intends to expand the delivery service range across Canada.

The Company confirms that there is no material fact or material change relating to the Company or its business that has not been generally disclosed.

The Canadian Securities Exchange or any other securities regulatory authority has not reviewed and does not accept responsibility for the adequacy or accuracy of this news release that has been prepared by management of the Company.
