Plus8 Global Ventures to attend the Collision Conference in New Orleans

Vancouver, British Columbia – March 8, 2016 – Plus8 Global Ventures Ltd. (“Plus8” or the “Company”), (CSE: PGT) is pleased to announce the Company has been selected from a large pool of thousands of companies to showcase and exhibit at the annual Collision Conference hosted at the New Orleans Morial Convention Centre, April 26-28, 2016.

The Collision Conference is “America’s fastest growing tech conference” and was created by the team behind Web Summit. Collision has grown to over 7,500 attendees from more than 50 countries to meet over 1000 exhibitors within the tech sector. Seventeen of the startups that exhibited at Collision in 2014 and 2015 have raised nearly \$370 million in funding.

Attendees include CEOs of both the world’s fastest growing startups and the world’s largest companies, alongside leading investors and media. Speakers at the event include 100’s of the World’s most influential entrepreneurs from tech start ups to Fortune 500 companies.

President and CEO of Plus8 Global Ventures Ltd. Jason Moreau states, "We look forward to bringing the Plus8 team down to New Orleans and showcasing ParcelPal to the best in technology."

About Plus8 & ParcelPal

Plus8 Global Ventures wholly owned mobile delivery app ‘ParcelPal’ is an iPhone, Android and desktop computer service enabling businesses and individuals to quickly and affordably have items delivered locally through crowd-sourced couriers. The Company offers same-day delivery of merchandise for leading retailers in Vancouver and soon in major cities Canada-wide.

Forward Looking Information

This news release contains forward looking statements relating to the Proposed Transaction, and the future potential of ParcelPal. Forward looking statements are often identified by terms such as "will", "may", "should", "intends", "anticipates", "expects", "plans" and similar expressions. All statements other than statements of historical fact, included in this release are forward looking statements that involve risks and uncertainties. These risks and uncertainties include, without limitation, the risk that the Proposed Transaction will not be completed due to, among other things, failure to execute definitive documentation, failure to complete satisfactory due diligence, failure to receive the approval of the CSE and the risk that ParcelPal will not be successful due to, among other things, general risks relating to the mobile application industry, failure of ParcelPal to gain market acceptance and potential challenges to the intellectual property utilized in ParcelPal. There can be no assurance that any forward looking statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements.

The Company cannot guarantee that any forward looking statement will materialize and the reader is cautioned not to place undue reliance on any forward looking information. Such information, although considered reasonable by management at the time of preparation, may prove to be incorrect and actual results may differ materially from those anticipated. Forward looking statements contained in this news release are expressly qualified by this cautionary statement. The forward looking statements contained in this news release are made as of the date of this news release and the Company will only update or revise publicly any of the included forward looking statements as expressly required by Canadian securities laws.
