VANCOUVER, BC, Canada – March 30, 2016 – Pacific Therapeutics Ltd. (CSE: PT) (OTC: PCFTF) (Frankfurt: 1P3) (the “Company”), is pleased to announce that it has completed its previously announced private placement consisting of the issuance and sale of 4,089,332 class A common shares (the “**Shares**”) of the Company at a price of \$0.06 per Share for gross proceeds of \$245,359.92 to the Company (the “**Private Placement**”). Each Share will be subject to a statutory hold period of four months and one day from the date of closing. No finders fees are payable in connection with the Private Placement.

The Company further announces that it has closed the previously announced debt settlement (the “**Debt Settlement**”) and issued 766,666 Shares at a deemed price of \$0.06 per Share.

The Company has additionally appointed Robert “Nick” Horsley as the chief executive officer, replacing Derick Sinclair who will remain a director and chief financial officer. The Company wishes to thank Mr. Sinclair for his hard work and contributions to the Company as chief executive officer.

The participation of two directors in the Private Placement and the participation of Howe and Bay Financial in the Debt Settlement and Private Placement constitute “related party transactions” within the meaning of Multilateral Instrument 61-101 - *Protection of Minority Security Holders in Special Transactions* (“**MI 61-101**”). The Company is relying upon the exemptions from the formal valuation and minority shareholder approval requirements pursuant to sections 5.5(b) and 5.7(e), respectively, of MI 61-101 on the basis that the Company is not listed on a specified stock exchange and, on grounds that the Company is in serious financial difficulty, and the Private Placement and the Debt Settlement are designed to improve its financial condition. The Company has one or more independent directors in respect of the Private Placement and Debt Settlement, and such independent directors support the transaction for the reasons stated above, and consider the transaction to be reasonable given the Company's circumstances. The Company was not in a position to file a material change report more than twenty one days in advance of the closing of the Private Placement and Debt Settlement as the details of participation of the interested parties were not known at such time.

Mr. Brian Gusko, a director of the Company, and Mr. Robert Horsley, the CEO and a director of the Company have subscribed to 416,000 Shares and 416,666 Shares, respectively, pursuant to the Private Placement. Following the completion of the Private Placement and the Debt Settlement, Howe and Bay Financial (“**H&B**”) owns and controls 2,499,999 Shares, representing approximately 40.15% of the issued and outstanding common shares of the Company. Mr. Gusko and Mr. Horsley are partners (although not controlling partners) of H&B and, as such, each has an indirect beneficial interest in the Shares owned and controlled by H&B.

A copy of the early warning report filed with the applicable securities regulators regarding the Private Placement and the Debt Settlement will be available within the applicable time and will be available under the Company's profile on SEDAR at www.sedar.com.

On March 30, 2016 all of the shareholders (the “**Shareholders**”) who received, or will receive, Shares pursuant to the Private Placement and the Debt Settlement entered into a voluntary pooling agreement (the “**Pooling Agreement**”) pursuant to which each Shareholder agreed, not to, directly or indirectly, sell, transfer

or otherwise dispose of any Shares except in accordance with the terms and provisions of the Pooling Agreement which stipulates that the Company and the Shareholders agree that each Shareholder's Shares shall be released from the pooling arrangements and restrictions set forth in the Pooling Agreement in accordance with the following release schedule: 50% of the Shares released 6 months after the date on which the Shares were issued to the Shareholders pursuant to the Private Placement or the Debt Settlement, as the case may be (the "**Closing Date**"); and 50% of the Shares released 12 months after the Closing Date.

None of the securities issued in connection with the Private Placement and the Debt Settlement will be registered under the United States Securities Act of 1933, as amended (the "**1933 Act**"), and none of them may be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the 1933 Act. This news release shall not constitute an offer to sell or a solicitation of an offer to buy nor there be any sale of the securities in any state where such offer, solicitation, or sale would be unlawful.
