Global Remote Engages Direct Financial Strategies and Communication Inc. as Investor Relations Consultant

VANCOUVER, BRITISH COLUMBIA / October 29, 2015 / Global Remote Technologies Ltd. (“Global Remote” or the “Company”) ([CSE: RGT](#)) is pleased to announce the Company has entered into an investor relations agreement with Direct Financial Strategies and Communication Inc. (“Direct Financial”), by which Direct Financial (collectively, the “Parties”) dated October 28, 2015 whereby Direct Financial will provide investor relations services to the Company for an initial term of three months (the “Investor Relations Agreement”).

Compensation for the investor relations services will be an initial cash payment of CAD\$15,000 and 125,000 stock options to purchase common shares in the capital of the Company with an exercise price of CAD\$0.18 per common share. The options may be exercised for a period of six months from the grant date.

The Parties may extend the Investor Relations Agreement by mutual agreement. Compensation for each subsequent three-month term will be the same as that for the initial term for a maximum of 12 months.

About the Company

The Company focuses on the deployment of emerging technologies for the energy sector. The Company has licensed multiple patent pending tools for the oil and gas industry. Using its advanced engineering and leadership experience, the Company brings cutting edge processes and technology to the oil patch. Its remote sensor packages transmit telemetry from drilling and production sites in real time to a central server where it is viewed in the cloud. The systems are designed to provide key personnel an early warning system to avoid equipment failures or costly compliance fines. The Company collects and communicates vital information on the status of equipment, tanks, and pipelines for exploration, production, and transmission of oil, gas and water. It is headquartered in Vancouver, BC, with offices in Denver, Colorado and Houston, Texas.

Further information about the Company is available under its profile on the SEDAR website, www.sedar.com, on the CSE website, www.thecse.com, and on its website, www.grtcse.com.
