THC Closes Tenth Tranche Private Placement with Alumina

THC.CSE

THCBF - OTC

TFHC.F

Vancouver, British Columbia – (November 23, 2017) THC BioMed Intl Ltd. (CSE: THC), ("THC" or the "Company") is pleased to announce that the Company completed an additional draw down of \$1,000,000 under its previously announced investment agreement with Alumina Partners (Ontario) Ltd. ("Alumina").

On November 23, 2017, the Company issued to Alumina 1,488,095 units ("Units") at a price of \$0.672 per Unit, for total proceeds of \$1,000,000. Each unit consists of one common share and one common share purchase warrant. Each warrant entitles the holder to purchase one common share of the Company for a period of 36 months from closing at a price of \$1.05 per share.

The proceeds raised through the private placement will be used to fund THC's new subsidiary, THC2GO, and its applications to provincial governments to operate licensed dispensaries for medical marijuana as well as expanding the Company's facilities and general working capital.

This brings the total raised through the Alumina private placements to \$3,200,000.

About THC

THC's vision is to be on the leading edge of scientific research, development of products and services related to the medical cannabis industry while creating a standard of excellence. As the industry develops, it will become more important to focus on scientific research and development of products and services related to medical cannabis. Management believes THC is well-positioned to be in the forefront of this rapidly growing industry.

Forward-Looking Information:

This press release may include forward-looking information within the meaning of Canadian securities legislation, concerning the business of THC. Forward-looking information is based on certain key expectations and assumptions made by the management of THC. In some cases, you can identify forward-looking statements by the use of words such as “will,” “may,” “would,” “expect,” “intend,” “plan,” “seek,” “anticipate,” “believe,” “estimate,” “predict,” “potential,” “continue,” “likely,” “could” and variations of these terms and similar expressions, or the negative of these terms or similar expressions. Although THC believes that the expectations and assumptions on which such forward-looking information is based are reasonable, undue reliance should not be placed on the forward-looking information because THC can give no assurance that they will prove to be correct. Forward-looking statements contained in this press release are made as of the date of this press release and include that: (a) the net proceeds will be used for the stated purposes; (b) THC's vision is to be on the leading edge of scientific research, development of products and services related to the medical cannabis industry while creating a standard of excellence; (c) as the medical marijuana industry develops, it will become more important to focus on scientific research and development of products and services related to medical cannabis; and (d) THC will be in the forefront of this rapidly growing industry.

THC disclaims any intent or obligation to update publicly any forward-looking information, whether as a result of new information, future events or results or otherwise, other than as required by applicable securities laws.
