CAPTIVA VERDE ARRANGES FACTORING LOAN

La Quinta, California – May 12, 2016 Captiva Verde Industries Ltd. (“**Captiva Verde**” or the “**Company**”) announces a factoring loan placement of \$500,000 at a rate of 8% per annum for an initial term of 60 days.

The purpose of this factoring loan is to bridge short term receivables which now total over \$1 Million from our highly credit worthy customers. Given that standard factoring loans are running at around 20% per annum, this new relationship will bring substantial savings for funding the ever increasing expansion of the company’s business.

The company accepted a start up fee payable by 300,000 common shares of the Company. Any securities issued in connection with this fee are subject to a statutory hold period ending four months and a day from the closing and in accordance with applicable securities legislation. The net proceeds from the Offering will be used by the Company for its Farming Plan.

On behalf of the Board of Directors of the Company and for further information, please contact:

READER ADVISORY

The CSE has neither approved nor disapproved the information contained herein.

This news release contains forward-looking statements. The Company has provided the forward-looking statements in reliance on assumptions that it believes are reasonable at this time. The reader is cautioned that the assumptions used in the preparation of the forward-looking statements may prove to be incorrect. All such forward-looking statements involve substantial known and unknown risks and uncertainties, certain of which are beyond the Company’s control. Such risks and uncertainties include, without limitation, delays resulting from or inability to obtain required regulatory approval. The actual results, performance or achievements could differ materially from those expressed in, or implied by, these forward-looking statements and, accordingly, no assurances can be given that any of the events anticipated by the forward-looking statements will transpire or occur, or if any of them do, what benefits, including the amount of proceeds, the Company will derive therefrom. Readers are cautioned that the foregoing list of factors is not exhaustive.
