

VICTORY SQUARE ADDS CO-FOUNDER OF THE BTL GROUP, GUY HALFORD-THOMPSON, AS STRATEGIC ADVISOR TO ACCELERATE GROWTH OF ITS BLOCKCHAIN PORTFOLIO COMPANIES

VANCOUVER, BRITISH COLUMBIA, CANADA (December 14, 2017) – Victory Square Technologies Inc. ("Victory Square" or the "Company") (CSE:VST)(OTC:VSQTF)(FWB:6F6) is pleased to announce the appointment of Guy Halford-Thompson, co-founder of BTL Group (TSXV: BTL)(OTC: BTLFF) to its Advisory Board. Mr. Halford-Thompson is a globally recognized pioneer and visionary in blockchain technology and will play a key role in growing and scaling Victory Square's current portfolio of blockchain companies.

Victory Square has been a long-time supporter of Halford-Thompson's vision for incorporating blockchain technology into enterprise business, having invested in and incubated his company, the BTL Group three years ago. BTL Group was the first publicly traded blockchain company in Canada and has grown to a market cap of \$250M on the TSX Venture Exchange. The product BTL is best known for, Interbit, a blockchain development platform that leverages cutting edge tools to empower developers to build enterprise-grade blockchain-based applications. BTL has partnered with large institutions like Visa and BP to further explore the potential for private blockchains to reduce cost and increase efficiency.

"Guy has been a thought-leader in the blockchain space for years and has had tremendous success building one of Canada's premier blockchain companies, the BTL Group," said Shafin Diamond Tejani, Chief Executive Officer of Victory Square. "We are extremely excited and fortunate to have him join Victory Square due to his extraordinary vision and foresight on how blockchain will disrupt verticals that our portfolio companies operate in, such as Gaming, Health, Fintech, VR/AR/MR, and AI."

Mr. Halford-Thompson will immediately begin advising VST portfolio companies Blockchain Assembly and FansUnite grow and scale their businesses, and will play a strategic role in Victory Square's new partnership with the Blockchain Investment Consortium to identify the most promising and disruptive blockchain companies around the world.

"Victory Square played a key part helping BTL scale in its early days, and I'm extremely excited to join the team as an advisor," said Mr. Halford-Thompson. "The leadership group at Victory Square has consistently shown an ability to identify large market opportunities, as well as the right teams to capitalize on them. They give them the funding, resources and relationships required to accelerate their growth and allow them to scale internationally."
