

## **RULE 11**

### **TRADING OF OTHER LISTED SECURITIES**

#### **11-101 Application of Rules**

With the exception of Rule 9 - Reporting of Trades, the Rules apply to trading in Listed Securities and Other Listed Securities unless otherwise specified.

#### **11-102 Qualification of Other Listed Securities**

- (1) The Exchange may designate securities listed on an exchange recognized in a jurisdiction in Canada as eligible for trading as Other Listed Securities provided such securities are not suspended or subject to a regulatory halt.
- (2) The Exchange may disqualify an Other Listed Security for trading at any time without prior notice.
- (3) Notwithstanding the foregoing, an Other Listed Security shall be disqualified for trading immediately if
  - (a) the security is delisted by an exchange and is not listed on any stock exchange recognized in a jurisdiction in Canada;
  - (b) the security is suspended by an exchange and the security would only trade as an Other Listed Security in Canada;
  - (c) the security is subject to a regulatory halt; or
  - (d) The Exchange, acting reasonably, determines that disqualification is necessary to protect the public interest or the maintenance of a fair and orderly market.
